

DOCK LEVELER

METRO DOCK HYDRAULIC LEVELER

SAFE. CONVENIENT. RELIABLE.

Hydraulic Dock Levelers are easy to operate, convenient to use and are the most cost efficient model over their lifetime. They are operated by a single push button control with a constant pressure feature to ensure safety throughout their cycle and are designed with a four-inch tilt in the rear hinge to compensate for any uneven truck beds. The Metro Dock, North American made, hydraulic components are reliable and supported by a 5-year warranty.

Key Features and Benefits:

- For capacities up to 100,000 lbs.
- Formed beam & I-beam constructions
- Multi-viscosity oil
- 1HP Power Packs available in any voltage
- Automatic fall-safe protection
- Maintenance strut supports deck and lip for under-deck inspection and maintenance

METRO DOCK HYDRAULIC LEVELER

STANDARD FEATURES

2. **Lip Hinge & Pin** – Constructed of high tensile continuous seamless tube (minimum 70,000 lbs. yield) and a one piece hinge pin, provides superior strength and enhanced durability.

1. Minimum ¼" thick high tensile checker **Deck Plate** used on all dock levelers.

3. High Tensile **Formed "A" Beam**, a standard on docks up to 35,000 lbs. capacity. Wide flange I-beam construction on capacities 40,000 lbs. up to 100,000 lbs.

4. **Hydraulic Powerpack** manufactured in north America standard 1HP, with 4 valves to ensure smooth operation. Available in all voltages.

5. **Rear Frame and Tilt Design**. Designed with a flat bar to significantly reduce roll-over stress and our floating rear hinge compensates for uneven truck beds.

SPECIFICATIONS

1. 27,000 lbs. capacity
2. 16" reach lip
3. Weather seals – 3 sides
4. 1-HP, any voltage powerpack
5. Telescopic toe guards
6. Constant pressure push button
7. Fall safe velocity fuse
8. Maintenance stand

OPTIONS

- 30,000 lbs. up to 100,000 lbs. capacity
- 18" & 20" reach lip
- Full Range operating toe guards
- Remote wall mounted powerpack
- 6" Roll-off safety lip barrier
- 3 wheel forklift bracing
- Automated control panels
- Hot dipped galvanized

ALSO AVAILABLE FROM METRO DOCK

- Dock seals, shelters and bumpers
- New construction options
- Truck restraining systems
- Dock accessories
