# GALLERY® collection 3-LAYER CONSTRUCTION

America's Favorite Garage Doors®

# GALLERY<sup>®</sup> collection

The Gallery<sup>®</sup> Collection three-layer construction provides exceptional strength, energy efficiency and dent resistance as well as a beautiful carriage house appearance. The 2" or 1-3/8" thickness of Intellicore<sup>®</sup> polyurethane or bonded polystyrene insulation and thermal break makes these doors heat and cold resistant while the tongue-and-groove joint helps seal out wind, rain and snow. Available in short and long panels with multiple window options, the three-layer Gallery<sup>®</sup> Collection is virtually maintenance-free, so the first fabulous impression becomes a lasting impression.

# intellicore<sup>®</sup> insulation technology

Warmer. Quieter. Stronger. Gallery<sup>®</sup> Collection doors featuring Intellicore® insulation technology represent the ultimate smart choice for homeowners. Clopay's Intellicore® is a proprietary polyurethane foam that is injected into a garage door, expanding to fill the entire structure. The result is a door with incredible strength and durability. Its dense insulation also produces a quieter door, and with one of the industry's leading R-values of 18.4, it provides year-round comfort and improved energy efficiency. Smart, indeed.

Calculated door section R-value is in accordance with DASMA TDS-163. Models with Ultra-Grain® and Black paint options are 25 gauge steel.

#### COLORS

- Exterior steel on standard color doors has a natural woodgrain texture.
- Doors can be painted to match the home's exterior using a high-quality latex exterior paint.
  Do not use oil-based paint.

\*Popular in select markets, Glacier White is a brighter white.

# CUSTOM PAINT OPTION

Color Blast<sup>®</sup> offers more than 1,500 Sherwin-Williams<sup>®</sup> color options to complement your home. Clopay's durable two-part paint system has been thoroughly tested and is backed by a five-year warranty.

# ULTRA-GRAIN® PAINT OPTION

Medium Finish

Ultra-Grain® Oak Dark Finish

Ultra-Grain® Oak Walnut Finish

Ultra-Grain<sup>®</sup> Oak Slate Finish

- Painted steel surface simulates a real stained door without the need of staining and the ongoing maintenance of wood.
- Oak woodgrain runs horizontal on stiles and vertical on panels for an authentic, natural look.
- Available in Medium, Dark, Walnut or Slate finishes that complement Clopay Entry Doors, shutters and other exterior stained wood products.
- Exterior steel surface on an Ultra-Grain<sup>®</sup> painted door has a stucco texture to create a more natural woodgrain appearance.
- Window frames, grilles and inserts are color matched to coordinate with the Ultra-Grain<sup>®</sup> patterns.
  All window options are available.

# **Decorative Hardware**

<sup>†</sup>Aluminum construction. Door may not open properly if installed near the top depending on opening dimensions and lift type. See your Clopay Dealer for more details

and distributing garage doors that enhance the beauty, safety and value of your home while minimizing the impact on the environment.

The Gallery<sup>®</sup> Collection three-layer construction helps conserve natural resources by providing a durable, reliable, low-maintenance, energy efficient door. Long-lasting steel doors and hardware are impervious to moisture and will not rot, warp or crack, and the steel used in Clopay's doors is made from over 75% recycled content. All Clopay doors are made in the U.S., minimizing shipping, damage and handling.
