

TRUCK SHELTER

METRO DOCK WATER GUARD

MODEL S90

The Metro Dock Water Guard is a canopy application that can be mounted above existing head pads, curtains, or by itself. It seals against the roof of the trailer with the sweep pad and deflects rain to the sides, keeping workers safe and your product dry.

Standard Features and Benefits:

- 123" wide x 24" projection x 12" storage curtain
- Sweep pad 6" foam pad x 24" drop
- Double layered vinyl on face of sweep pad
- Solid 40 oz vinyl wear pleat across face
