

DOCK LEVELER

# METRO DOCK SCISSOR LIFT TABLE

## SECURE. MULTI-PURPOSE.

The Metro Dock Loading dock series Scissor Lift Table is a great option for facilities without loading bays and can be installed inside or outside of the building. Simply drive the forklift onto the table, lift to the height of the truck and drive the forklift into the trailer for easy loading and unloading.

### Key Features and Benefits:

- For capacities of 5,000 lbs. up to 20,000 lbs.
- Tubular scissor legs
- Multi-viscosity oil
- 5 HP North American made powerpack. Any voltage
- Automatic fall-safe protection
- 2 self-contained maintenance blocks for inspection and maintenance
